The school organized **The International Day of Yoga on 21st June**, which is celebrated all over the world.

This idea was proposed by our honorable Prime Minister, Mr. Narendra Modi. He said, "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body, thought and action, restraint and fulfillment, harmony between man and nature, and a holistic approach to health and well-being. It is not about exercise but to discover a sense of oneness with yourself, the world, and nature. By changing our lifestyle and creating consciousness, it can help in well-being."

G20 SUMMIT

One Earth, One Family, and One Future!
